

**Preaching Series: Rooted and Reaching**  
September 8-October 27

The image of a plant rooted and grounded is an apt metaphor for those on the journey with Jesus. When rooted in Christ, followers of Jesus reach up and out evidenced by bearing fruits of the Spirit (love, joy, peace, patience, kindness, goodness, self-control). It provides identity and purpose. When rooted in Christ, followers will resemble Christ; Christians rooted in Christ will also do the works of Christ. This series will also inform our congregation about FPCE's mission, values, and goals we are committing to as part of our recent strategic planning efforts.

**PRAYER GUIDES FOR THIS SERIES ARE AVAILABLE FROM THE USHERS OR AT THE FRONT DESK**
