# SUMMER WORSHIP PASSPORT

**Name:**

All kids are invited to participate in our Passport to Worship summer program!

How it works:

There are different worship related activities for you to complete throughout the summer.

When you complete an activity bring your passport to Pastor Amanda on Sundays and she will check-off what you have completed.

You can collect prizes along the way and make progress towards the final PRIZE!

The passport activity ends Sunday September, 4th!  
You don't have to do every challenge to complete your passport.

## CHALLENGE 1

Attend worship 5 times. (If you go to another church while on vacation bring a bulletin to have it count.)
